### YCST Shared Principles

At Yorkshire Causeway Schools Trust, we believe in meeting the needs of all pupils, including pupils in receipt of the pupil premium grant with a school commitment to high quality learning. The values of the trust informs this approach.

**"Where everyone is valued and respected, where we share commitment to education that is ambitious, setting the highest expectations and where integrity is the foundation" (YCST vision statement)**

### Core Principles:

- High quality, inclusive teaching and learning for all
- Provision that supports an improvement in well-being and/or an increase in academic attainment for all

***"Pupils with better health and wellbeing are likely to achieve better academically." (The link between pupil health and well-being and attainment: Public Health England)***

- Addressing barriers to learning and the characteristics of less successful learners
- Monitoring and evaluation
- A commitment to working collaboratively to provide challenge and support

These principles are based on current research evidence and are understood by all members of the school community. Whilst these are the shared principles of the trust, we recognise the individual settings and therefore needs of each of our schools are different.

# Pupil Premium

***"Evidence shows that more good teaching for all pupils will especially benefit the most disadvantaged."*** Sir Kevan Collins  
(Chief executive of the Education Endowment Foundation)

**Our core principles are under-pinned by the following procedures:**

- Strategic reviews with peer partners – once every three years
- Case studies
- Regular communications with parents
- On-going school based monitoring and evaluation
- Class provision maps
- Reports to Governors
- Annual Pupil Premium Report \*

\*While we are required to post a report detailing the impact of how we have allocated funds from the Pupil Premium Grant, we do not conduct analysis on pupil premium students as a group, since our children do not always share similar needs. Data collected on such small groups is not statistically reliable.

***"Effective schools also recognise that disadvantaged pupils are not a homogenous group and employ targeted approaches for groups and individuals facing particular barriers."***

## Pupil Premium Action Plan 2020 - 2021

### What is Pupil Premium Funding?

The Pupil Premium Grant is a sum of money the school receives from the Department for Education (DFE) for each pupil who is either in receipt of Free School Meals (FSM) or is a Looked After Child (LAC).

Nationally the statistics show that these pupils achieve less well than other children. The aim of the Pupil Premium money is to try to close that attainment gap.

A service premium has been introduced for children whose parents are serving in the armed forces.

In some reports the government use the term 'disadvantaged' to describe this group. This refers to the fact that statistically this group is the most likely to underachieve in comparison to outcomes for children who do not fall into this group.

The guidelines on how schools use their Pupil Premium Grant state:

"It is for schools to decide how the Pupil Premium is spent, since they are best placed to assess what additional provision should be made for the individual pupils within their responsibility". (DFE)

### We will use our Pupil Premium Grant to ensure that:

- high quality teaching and learning opportunities meet the needs of all pupils
- that appropriate provision is made for pupils who belong to vulnerable groups
- the needs of disadvantaged pupils are adequately assessed and addressed

### What are the barriers to educational achievement faced by disadvantaged pupils at North Rigton School?

1. Inability to access extra-curricular activities
2. Motor control
3. Difficult housing situation
4. Low self-esteem
5. Lack of early childhood experience
6. Attachment difficulties
7. Anxiety and other forms of emotional distress
8. Poor health and well-being of parents

- The school will undertake actions that support an improvement in well-being and/or an increase in academic attainment for all
- The school will monitor and evaluate their provision and the impact this provision has on learners
- The school will address barriers to learning and the characteristics of the less successful learners

## **Effective Strategies will include:**

- Well planned and delivered lessons
- High quality verbal feedback
- The delivery of a Grow, Blossom, Flourish learning and behaviour style
- Targeted interventions
- Social and emotional support
- Regular communication with parents

## **How will the school measure the effectiveness of Pupil Premium funding?**

As well as termly cohort tracking reviews (Flourishing Meetings) the school will hold termly Pupil Premium Strategy Review meetings with the Pupil Premium Governor to measure the impact of actions identified in the Pupil Premium Action Plan. The school Local Governing Body will review all actions relating to pupil premium children on a termly basis. The school will continue to work with YCST partners.
