**From Mrs Honey – Base Leader at All Saints, Kirkby Overblow**

On the 7th August, our wonderful fellowship colleague Sophia Gardiner gave birth to the beautiful Ernie at only 26 weeks, weighing just 2 pounds and suffering from numerous medical conditions. Since then, Ernie has been cared for at ward L43, the neonatal unit at LGI. Both Sophia and her husband Edwin have nothing but praise and thanks for this amazing place, which is continuing to give Ernie the care and support he needs. To support this fantastic facility, which is always in need of funds, our All Saints staff have decided to do a walk in celebration of Ernie. We will be taking on a 'Marathon walk' - 26 miles: one mile for each of the 26 weeks before he was born. The walk will take place on the 16th October, starting and ending in York. The final 5 miles will take place in York, where other members of staff will join us for the final leg. Please support us in raising money for such an amazing place - whatever amount you are able to give will be greatly appreciated. Everyone at All Saints and North Rigton Fellowship are willing little Ernie on - every step of the way.
