Dear parent

### **ADMISSION ARRANGEMENTS 2023/2024 CONSULTATION**

Yorkshire Causeway Schools Trust is the admissions authority for North Rigton CE School. As such we are required to determine our admission arrangements annually and in accordance with our statutory duty under the Schools Admissions Code consult publicly on these arrangements at least once every seven years.

We are therefore writing to inform you that we are consulting on our proposed admission arrangements for the academic year 2023/2024, and invite your comments.

North Rigton CE School proposes to continue to adopt the North Yorkshire County Council admissions policy and co-ordinated admissions arrangements. NYCC are currently consulting on their arrangements for 2023/2024, the full details of which can be found on their website: <https://www.northyorks.gov.uk/admission-arrangements-consultation-2023-2024>

A summary of these admissions arrangements can be found on our website, or made available upon request. As our own admission authority any comments relating to the proposed adoption of the NYCC arrangements should be directly emailed to us [admin@northrigton.ycway.uk](mailto:admin@northrigton.ycway.uk)

This consultation closes on **12th January 2022**

Many thanks for your consideration.

Yours sincerely,
