CHURCH OF ENGLAND PRIMARY SCHOOL

NORTH RIGTON

BULLETIN – FRIDAY 7th January

“GROW, BLOSSOM, FLOURISH”

Dear Parents and Carers,

We have had a lovely first few days back in school this week, with nearly complete attendance the building is full of happy, joyful children. I had the pleasure of teaching Pears class this morning and thoroughly enjoyed spending time with them looking at addition and subtraction, some RE and sharing some of my very favourite Frog and Toad stories. I know those classes who have been able to have their Welcome Back parties have thoroughly enjoyed having fun with their friends.

As the weather is now very cold please remember to send your child to school in a coat every day. All items of clothing, including hats, gloves, scarfs etc must be named. If there is snow/heavy frost on the ground children can come to school in wellies and bring another pair of shoes for indoor use. It would also be advisable for children to bring a spare pair of socks/tights.

Please find attached flyers from Harrogate Town AFC Community Foundation and some information from Peta Kendall about music lessons.

With every blessing,

Mrs Andrews
