NORTH RIGTON

BULLETIN – FRIDAY 28th January

“GROW, BLOSSOM, FLOURISH”

Dear Parents and Carers,

We had a very, very special visitor to school on Tuesday this week. Mrs Gardiner visited us for the first time with little baby Ernie! The children and staff were overjoyed to finally meet the newest member of our North Rigton family.

I was very impressed that our Head Advocates, Beatrix and Imogen came to me to speak to me about Holocaust Memorial day which was on Thursday 27th January. I have invited them to speak to collective worship about it, to look at how cities lit their buildings in purple to remember the victims and to light a candle in memory. Our advocates really are flourishing when making links between their learning and our values.

Please find attached the annual report from our wonderful Friends of North Rigton.

Finally please remember to be considerate when parking near school (we had a complaint from one of our neighbours this morning). Please do not park on or turn around in our neighbours private roads or drives.

Thank you

Mrs Down
