As the weather is now very cold please remember to send your child to school in a coat every day. All items of clothing, including hats, gloves, scarfs etc must be named. If there is snow/heavy frost on the ground children can come to school in wellies and bring another pair of shoes for indoor use. It would also be advisable for children to bring a spare pair of socks/tights.

Covid safety measures remain unchanged for primary schools. Therefore, our staff will continue to wear masks in communal areas, enhanced cleaning regimes remain and all staff and children are encouraged to wash their hands frequently. As advised, we will be ventilating the classrooms by having doors and windows open wherever possible so you may wish to send your children to school with warmer layers. The Education Secretary has announced that if staffing (due to the

prevalence of the Omicron variant) becomes an issue in schools, we should consider merging classes, using support and supply staff to cover lessons and as a very last resort consider reverting to remote learning. If we need to enact any of these measures we will let you know as soon as possible.

During the coming term Mrs Honey will be spending some of her Base Leader time at North Rigton Primary School. Therefore, the teacher for Sun Class on Tuesdays will be Mrs Pilgrim.
