NORTH RIGTON

BULLETIN – FRIDAY 11th FEBRUARY

“GROW, BLOSSOM, FLOURISH”

Dear Parents and Carers,

I have had such a wonderful first week in school and would like to thank the pupils, staff and governors of the school who have made me feel incredibly welcome.

A favourite part of my week has been during Collective Worship and seeing how the Worship Advocates prepare and call the classes to worship, they truly are positive role models for the school. I have also enjoyed getting to know the children at playtimes, during lunch and in the classes and seeing some impressive learning taking place.

Parents and carers play an essential role in the success of any school and I have been delighted to meet a number of parents at the beginning and end of the school day and look forward to meeting the rest of you in the future. I will be outside each morning and evening on a Tuesday, Wednesday and Friday, so please do come and introduce yourselves. I very much look forward to getting to know you all and being part of the School Family.
