BULLETIN – FRIDAY 25TH MARCH

“GROW, BLOSSOM, FLOURISH”

We have had some glorious sunny days here in North Rigton this week. The excitement of getting on the field for lunch and break times was a joy to watch. The children adored exploring the garden area, spotting butterflies and ladybirds, and having a chat on the picnic table. Some Y6 girls also made an impressive human pyramid. Long may the weather continue...

Reading for pleasure

In class we are collecting book titles to put on our ‘Reading for pleasure underground map’. Our lines are made up of books with different themes. For example; funny line, uplifting line, detective line, magic line or adventure line. We have attached an example of a map for KS2 for you to have a look at and we hope to send our class maps out later in the year. Please keep reading and letting us know which books you would recommend.
