CHURCH OF ENGLAND PRIMARY SCHOOL
NORTH RIGTON

BULLETIN – FRIDAY 20TH MAY

“GROW, BLOSSOM, FLOURISH”

It's been quite the week here at North Rigton and we were delighted to welcome the Ofsted Inspectors to see all the wonderful ways in which we learn in school. As always, we were incredibly proud of the children in the way they conducted themselves when talking to the inspectors, discussing their work and sharing their views of our school community. Many thanks also to you our parents for taking the time to complete the online questionnaire or chat to the inspectors in the playground.

Spofforth Castle Walk

Key Stage 2 children from the Federation joined together to walk to Spofforth Castle on Wednesday. It was lovely to see the classes interacting and getting to know each other more. We were even joined briefly by Mrs Gardiner and Freddie which was such a joy for all.

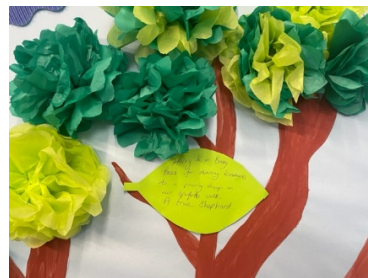

Today the connection between our Fellowship schools was further cemented as All Saints years 3, 4 and 5 came to spend the day with us. In the morning we had a workshop to begin composing songs for the Kids Aloud project. It was wonderful to see members of both schools working closely together and some fantastic work was produced. This afternoon, as the newsletter goes to press, we will be enjoying a sports afternoon with all of KS2.

This week in collective worship:

We welcomed Revd. Craig Marshall in school on Thursday this week for our collective worship. We have continued with our value Compassion.

Our Value tree has gained more leaves this week as children demonstrate ways in which they show compassion and acts of kindness.

FONR Jubilee Celebration Friday the 27th of May

Please join us at 3pm on the field for a Jubilee afternoon tea celebration. There will be cakes and drinks available for adults to purchase and snack bag for the children (£1 per bag). We will be singing some Jubilee songs and also playing traditional games.

Children are welcome to attend school wearing red, white and blue for the occasion.

FONR ask for cake donations to be brought into school the morning of the event. There is a Family Pass for Stockeld Park to be won and all those who donate will be entered into the draw.

House Points

This week points were given for perseverance in learning new maths strategies and for Koinonia in working together and supporting each other. Well done!
