NORTH RIGTON

BULLETIN – FRIDAY 27TH MAY

“GROW, BLOSSOM, FLOURISH”

We have had a wonderful week in the Fellowship getting ready to celebrate the Platinum Jubilee. Many thanks for all the generous donations of cakes contributed this morning; they look amazing. We have been learning all about the Jubilee too and Pears have looked at why Westminster Abbey is such a special place. Classes have also been busy creating their own decorations and we look forward to displaying them for the Jubilee trail. Have a lovely half term break and enjoy the Royal celebrations.

E Safety Newsletter

Please see the attached E Safety Newsletter. This month includes information about Minecraft which continues to be ever popular and can be a great learning tool where players use building blocks to create their own worlds. The Newsletter address the different modes which can be used and what parents should be aware of.

This week in collective worship:

Continuing in our Compassion theme, our Tuesday Collective Worship focused around being a good neighbour. The whole school helped in retelling the story Jesus told of the Good Samaritan, we had some very enthusiastic contributions. We learnt that by telling the story, Jesus was teaching us that everyone in need is our neighbour, even when they are not our special friend.

The children were asked to think about how they could show that they are a good neighbour this week.

House Points

Hawthorne	180
Rowen	174
Willow	203
Maple	187

This week points were given for Koinonia for working together to celebrate the Jubilee, positivity towards new learning and independence in the Y5/6 tasks. Well done.

Ogden Trust Science Photo competition

Our last competition with the Ogden Trust Science Partnership schools was a great success and the children thoroughly enjoyed designing posters. The winners from our Key Stage 2 competition thoroughly enjoyed having fun in their Sublime Science morning at Richard Taylor School yesterday.

Please find attached details of a new competition for this coming half term - get those cameras ready for a wonderful Science based photography competition.

FONR

Will you be spending some time over half term having a clear out? There will a bag2school collection as soon as we return from the half term break on Tuesday 7th June so please do dig deep and donate. Please bring your donations to the Square and Compass pub car park by 8.50am where a member of FONR will be on hand to collect.

Mrs Andrews

We are happy to tell you that we will be welcoming Mrs Andrews back to the Fellowship schools the week after half term. She has missed the children greatly and is very excited to see them again—she will be at North Rigton on Tuesday and All Saints on Wednesday. Mrs Methley and Mrs Honey will remain in post to ensure a smooth handover.

Dates for your diary

Tuesday 7 th June	Summer term begins FONR Bags2 School Collection
