## BULLETIN – FRIDAY 10<sup>th</sup> JUNE

### “GROW, BLOSSOM, FLOURISH”

This week it has been lovely to hear how the children enjoyed their Jubilee bank holiday weekend and the different ways they celebrated. Back in school there is much excitement in Y5/6 as the end of term play has been cast and production is underway! As always, they show Koinonia in their working together towards making this an amazing show.

In our last newsletter we talked about the Ogden trust and the Sublime Science morning at Richard Taylor School. We now have the following photographs. Well done to all involved and for representing our school so positively. Also please find attached details of a new competition for this coming half term - get those cameras ready for a wonderful Science based photography competition.

### A message from the Square and Compass

Please can you ensure children do not climb on the outside furniture or over the planters in the newly planted beds. Some damage has been caused recently. Many thanks.

### **Sport's Day**

We look forward to welcoming you all on Monday for our Sport's Day. Please arrive at 1:15pm for a 1:30pm start and head straight to the field.

### **This week in collective worship:**

Revd Craig Marshall delivered our collective worship this week and delighted the children with a story about Friendship. Our Worship advocates have written a brief outline of his message below.

"The story starts with a grumpy old man who is a bit of a non-social guy. The neighbours have sneaky suspicions about him for shouting at their children for simple acts. So he builds a very big fence to stop neighbours from seeing him but this makes them even more suspicious about him and what he was hiding. The man would not give up on being alone so he puts up a sign that says 'danger don't come in' but during the night his sign falls down. That morning a man walking his dog sees this and changes the sign to say 'garden come in'. When the old man wakes up he finds all the neighbours in his garden and after hearing what they had to say he realises friends are THE BEST!!" Eve

"In this story it shows how at first the man was grumpy and angry and the neighbours all judge him. He just really didn't like people until he has an unexpected party where he realises how he quite likes a bit of company and how having friends is a real treasure and you should respect your friends just like Jesus and his disciples."
