BULLETIN – FRIDAY 17th JUNE

“GROW, BLOSSOM, FLOURISH”

It was great to be all together for Sports Day. The children thoroughly enjoyed the event as did the parents. We are so pleased we can, at last, welcome you to our school events.

This week on Tuesday 14th June it was the Great Science Share. This is an opportunity for primary school children to share their great Science work with other people. In Science week at the start of this term, all the classes carried out a directed experiment linked to Climate Change. Year 3 and 4 flourished with their learning by using what they had learnt to design their own investigation. The children investigated which materials reflected light and then decided to investigate how these materials could help the growth of plants. They investigated whether foil or CDs would help the growth of Sweet Peas over time. The results were interesting and led to lots of discussions about experimental error! Well done Busy Bees for a great investigation.

Kith Homestead

Apples were the first class to visit Kith Homestead this week and had a great adventure. They experienced lots of outdoor crafts such as weaving and finger plaiting. There was also time to climb trees and catch and identify bugs in the meadows – such a lovely way to connect with nature.

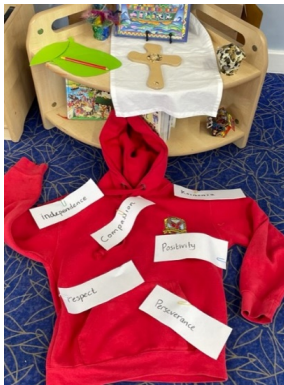

House Points

Hawthorne	26
Rowen	89
Willow	76
Maple	55

This week points this week were given for respect during Collective Worship and Koinonia on Sport's day. Well done!

This week in Collective Worship:

During our Collective Worship on Tuesday we continued with our Compassion value and looked at the words of wisdom from the Bible:

'Clothe yourself with compassion, kindness, humility, gentleness and patience' Colossians 3.12

It is as if St Paul, who wrote these words over 2000 years ago, is saying 'when you put on your clothes in the morning imagine you are clothing yourselves with the attitudes of **compassion**, kindness, humility, gentleness and patience. We also talked about our school uniform and the values we 'clothe' ourselves in at North Rigton. I hope the children can tell you about the scenarios the worship advocates acted out and how we offered compassion!
