BULLETIN – 17th June 2022

Dear Parents/carers

We have enjoyed another busy week with children in all classes working hard and enjoying their learning. I thought you would like to see some of the fabulous art work that has been taking place in school over the last couple of weeks. Our children in Mars Class have produced a fabulous outdoor sculpture, inspired by the work of Guiseppe Arcimboldo.

They have used a range of natural materials to create a face called Winter. It is currently on display in the Dragon's Garden.

In Sun Class, their featured artist is David Hockney and they have explored his landscapes of the local area and created their own version of Garrowby Hill using mixed media. They were also inspired by his iPad creations 'Arrival of Spring' and used a digital app to create their own. If you would like to look more closely at any of this art work, feel free to pop in after school.

Bed Race Success!

Mrs Clegg would like to say thank you to all those who sponsored her and cheered her on during the Bed Race! Her team (Harrogate Symphony Orchestra) raised £1267 for Harrogate Hospital Community Charity, were awarded a highly commended rosette for their bed decoration ('King of the Birds' – see below) and jumped from 73rd place last time to 51st this with a time of 20 minutes and 37 seconds—an all round successful and fun day!

Family Fun Time Concert—Saturday 23rd July, Royal Hall at 6.30pm

Harrogate Symphony Orchestra are performing a really exciting and child friendly concert in July. It is a shorter performance than normal (1.5 hours max) and includes the world premiere the 'King of the Birds' specially written for the HSO and this event. It is on similar lines to 'Peter and the Wolf' with an excellent story line and includes a narrator. The only difference is that the narrator takes on many different roles, representing the varying bird characters . . . all of whom want to be 'King'. The Orchestra are continually striving to engage young people in music and this would be great for all ages. The rest of the programme is equally exciting and is on the attached flyer.
