

6 September 2022

Dear Parents/Carers

**Magna Science Adventure Centre – Tuesday 4<sup>th</sup> October  
Jupiter & Sun Class**

This term our KS2 children are learning about light and sound. To support our curriculum learning, we are planning a trip to Magna Science Adventure Centre on Tuesday 4<sup>th</sup> October

During the day, the children will explore the centre as well as take part in a workshop about light.

The children will leave school at 9am prompt and travel by coach to Magna, returning at approximately 3:45pm. Your child will need to come to school in their school uniform and **bring with them a packed lunch** (no fizzy drinks or chocolate please), their water bottle, a warm waterproof coat and a small backpack in which to carry their lunch.

We are asking for parents to both consent and pay for this trip via Parent Pay, by 30<sup>th</sup> September. To cover the cost of this trip, we are asking for a donation of £12.50 per child; unfortunately if insufficient donations are received the trip will not be able to run. Whilst we recognise that the cost of school trips can be expensive, we believe it is important for all of our children to experience out of school visits and would very much like to ensure that every child has the opportunity to take part. If you are experiencing financial difficulties please speak to the school office.

Medical information for your child will be taken from the rolling medical forms sent into school, if there are any changes please notify the school office.

This is a fascinating trip and we know that the children are looking forward to the experience,

Thank you in anticipation of your support.

Mrs Honey, Mr Anderson and Miss Cromack  
Class Teachers
