

27th September 2022

Dear Parents and Carers

Kith Homestead - Apples - Thursday 13th October

After the huge success of our trips to Kith Homestead last summer, I am thrilled that we are repeating the opportunity in Autumn, with Apples visit planned for Thursday 13th October. Even more exciting is that school will fund the trip this term through our physical activity and wellbeing budgets. Lorna has some amazing plans based around finding our own spirituality and our place in the natural world.

Arrangements for the Day

Children are to be dropped off at school as normal, from where we will walk to Kith Homestead via the field footpath at the rear of the school, leaving school at approximately 9:15am – 9:30am and return in time for normal end of the school day.

Please ensure that any medication needed is taken before coming to school.

Clothing

We are not expecting quite such glorious weather in October, and as the children are walking to/from Kith, with limited shelter whilst there; waterproofs, layers and wellies are an absolute must! Children must also come dressed in school polo shirts and sweatshirts or cardigans but track suit bottoms or similar should be worn.

Lunch Arrangements

Please bring a packed lunch and a lunchtime drink. Also, please ensure they bring a water bottle too.

Volunteers Needed

Are you free on 13th October? Can you help by accompanying the children to and/or from Kith Homestead? To be able to do the visit we need as many volunteers as possible to assist the teaching staff throughout the event. Please contact the school office before 4th October if you can help, so we can determine if we have sufficient adult numbers to allow the visit to go ahead.

The consent you previously provided to permit attendance for local trips will be used for this event

I understand that medical details will be taken from school records. If there are any changes to medical details, please inform the school as soon as possible.

Kind regards Mrs Down
