NORTH RIGTON

BULLETIN – 18th November 2022

It has been another brilliant week in school with lots of children showing how they are flourishing with their learning in so many ways.

A big thank you to all of our parents who donated buns for the bake sale today – Children in Need has been a huge success. The children have all loved learning about the reason why we fundraise and the staff have very much enjoyed seeing the classrooms filled with Pudsey Bear ears and spots! Thank you to our Year 6 Charity Advocates who have done such a superb job organising the day for all our children. If you would like to make a donation or find out more about the national event this website should tell you all you need to know [Together we can change young lives - BBC Children in Need](#)

Although the weather hasn't always been kind to us, the children have enjoyed time outdoors with their friends this week and have been very inventive coming up with some super wet weather games! Thank you for sending your child to school with a warm coat and suitable footwear. As winter creeps in, it's important to make sure all our children continue to wrap up warm as we will be outside where possible.

Anti-bullying Week

What a fantastic response the children gave to our anti-bullying week in school. Lots enjoyed wearing odd socks and it was a real opportunity to open debates and address some concerns that maybe would have remained bottled up otherwise. It was so joyful to see how living our school values to the fullest can create a flourishing community.

Fundraising

Thank you to all who donated to Save the Children for our harvest fundraiser. The final total was £255. The charity has contacted me, and we are hoping to have a live streamed assembly in the New Year to show the children how their compassion and generosity help less fortunate children around the world.
