

# NORTH RIGTON

CHURCH OF ENGLAND PRIMARY SCHOOL

NORTH RIGTON

7<sup>th</sup> February 2023

Dear Parents/Carers

## **Yorkshire Wildlife Park – Wednesday 15<sup>th</sup> March**

As part of the Year 3/4 Class, 'We are Scientists Project' on Endangered Animals, Miss Ellis is planning a fellowship trip to Yorkshire Wildlife Park. To link to our studies about the rainforest, the morning will consist of us taking part in an educational session about Tropical rainforests. The children will learn about the different layers of a rainforest and which animals can be found in these layers. They will learn specifically about some of YWP's rainforest animals and have chance to handle a range of animal bio-facts and live animals. Following this, the children will have the rest of the day to explore the wildlife park to learn about the bio-diversity of animals on our planet and the importance of protecting them.

The cost is **£18** including transport to and from the venue. The coach will be shared with the children and staff from our Fellowship School of All Saints.

### **Arrangements For The Day**

The coach will leave North Rigton school at 08:40, so please ensure you arrive by 08:30 prompt, and will return at approximately 16:05.

### **Clothing**

Children should come to school dressed in their normal school uniform with comfortable walking shoes, and we advise bringing a warm waterproof coat on the day.

### **Lunch Arrangements**

Please bring a packed lunch and a lunchtime drink in a small backpack (no fizzy drinks or yogurts).

We are asking for parents to both consent and pay by 1<sup>st</sup> March for this trip, via Parent Pay. Whilst we recognise that the cost of School Trips can be expensive, we believe it is important for all our children to experience out of school visits and would very much like to ensure that every child has the opportunity to take part. If you are experiencing financial difficulties, please speak to either the school office or the Headteacher in confidence.

Miss Ellis  
Year 3/4 Teacher
