BULLETIN – 3rd March 2023

It was wonderful to see how enthused the children were on Thursday during World Book Day. They thoroughly enjoyed sharing the books they had brought with them and listening to all our different members of staff reading stories. Don't forget to use your book vouchers!

Thank you to Mr Anderson who arranged another fantastic trip to Harrogate Town this week. I hope those who were able to attend enjoyed it and enjoyed meeting up with our All Saints friends!

Have a lovely weekend,

Mrs Andrews

Charity Update

Friday 17th March is Red Nose Day. We would like to encourage children to come to school with noses, deeley boppers and other RND merchandise.

We are saving the non-uniform day and cake bake for the following Friday (24th March) when we will be fundraising for the relief effort in Turkey and Syria. More information to follow!

Harrogate Town Trip

On Tuesday night, the Fellowship football fans were out in full force for Harrogate Town's latest league fixture. It was a truly memorable night for many different reasons! The children had the opportunity to: wave flags as the players came out the tunnel; play on the pitch in front of 2,100 fans; collect many autographs from the players at full time.

Unfortunately, due to the success of the Leeds United Women's team in the cup last weekend, the match against Barnsley has been postponed.

In Busy Bees this week, the children have shown great independence when making their bird feeders. There were lots of creative designs both made at home and in school. It was lovely to see them sharing their designs with the Year 5 and 6 children who did the same project two years ago. Well done Busy Bees.

FUNDRAISING

FONR Donut Sale:

There will be a donut sale, organised by FONR, on Thursday 9th March after school. The donuts will be 50p each (cash only, please). Thanks again to our brilliant PTA for all the events they organise for our school. We hope that many of you will be able to support them with this fundraiser.

Keyring Sale:

Ziva (Year 1) has shown her compassion and care for others by organising a keyring sale after school on Friday 10th March. All money raised will go towards the Syria/Turkey earthquake appeal. There are designs for everyone, but these keyrings would also make the perfect Mother's Day gift. 50p each (cash only, please). Well done, Ziva, for coming up with such a brilliant idea. We are all behind you!

Online safety

The web address below takes you to a platform which is endorsed by the PSHE Association. It has various modules teaching the children about different aspects of online safety and learning to think critically about what they see online. We will be using the schools' package in class over the PSHE teaching cycle so they will complement each other perfectly.

Modules - Digital Matters (internetmatters.org)

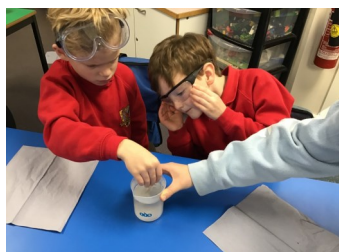

World Book Day

A wonderful time was had by all yesterday for World Book Day. The children loved the book swap where they were able to pick up a new paperback treasure to enjoy. The children also heard the teachers reading one of their favourite books. From Charlie and the Chocolate Factory (Roald Dahl) to The World's Worst Teachers (David Walliams), there was something for everyone to enjoy! Later on the children participated in a whole school big read. It was a day jam packed with activities and it was wonderful to see all our pupils so immersed in their reading.

Year 2 Science Club

Last half term, Annabelle, Bella, Gaby and Minnie (our Science Advocates) have organised and ran an after school Science Club for the Year 2 children. They have produced powerpoints for each session and taught the children all about different areas of Science. They have explored chromatography to see what colours are in a black pen, filtered light to write secret messages, forces to make balloon rockets, growing their own salt crystals and exploding volcanic eruptions in fizzy drink bottles. Each session we used the term 'I wonder' to explore the Science concept even further. Great fun has been had by all!

parentcarervoice
NORTH YORKSHIRE
WORKING TOGETHER FOR POSITIVE CHANGE

WHO WE ARE

We are the recognised Parent Carer Forum for North Yorkshire, supporting families with children and young people (0-25 years) with Special Educational Needs and/or Disabilities (SEND)

WHAT WE DO

We work to ensure that lived experiences, voices and views of Parent Carers are represented in decision making, service design and process improvement for SEND, Health and Social Care across our County.

We run virtual and face to face events, training and information sessions across North Yorkshire which inform and empower Parent Carers. We have a dedicated 'events' section on our website along with regular event posts on Facebook.
