Great Knaresborough Bed Race 10th June

Huge congratulations to everyone involved in this amazing event. During the build up to the race and on the day itself, the atmosphere and sense of team spirit was incredible. Thank you so much to all the families who came along on Saturday to take part in the parade and cheer our fantastic team on. I know they all appreciated the support and hearing your cheers made a huge difference to them as they ran in the sweltering heat.

WINNING BED

The All Saints bed was awarded runner up for the Environment Prize. Brian the robot was very popular amongst the crowds and many commented that they had seen him on TV. A huge thank you to Sophie and Will for their hard work in creating the robot and organising the beautiful children's art work. It was amazing!

The current total raised stands at an amazing £2400. Rob Cook has also managed to arrange match funding for part of the sponsorship money through Asda which should bring in approximately £400 more.

TV STARS

There was a media frenzy around school last week, with not only the All Saints Bed Race team being filmed by French TV but also appearing live on Calendar News. It was an exciting experience for all the pupils and staff and their behaviour was exemplary throughout. A massive thank you to Rebecca for hosting so many pupils, parents and staff. The French documentary will be aired later in the year; watch this space for more details.

School Values Awards

This week our awards were given to our fantastic bed race team: Kitt, Liz Clegg, Elaine Grainger, Rebecca O'Connell, Robin Cook, Giles Anderson and Matthew Rodrigues, who showed all our school values in abundance. Well done Team All Saints!

Awards were also given to Sophie and Will for their amazing efforts in decorating the bed.
