KIRKBY OVERBLOW

BULLETIN - 8th September 2023

Dear parents/carers

It was a great pleasure to welcome everyone back into school on Tuesday. The sun has shone all week and it truly feels a positive and exciting start to the new school year. The behaviour and attitude to learning in all classes has been fantastic. Our new reception children have settled in well and have been full of smiles and chat all week. We have lots of fantastic opportunities planned for our pupils this term both in and outside of school—more details to follow. The children were very excited to see our new outdoor classroom, which was completed in the summer. If you would like to take a closer look, please do! Over the next few weeks, we will be planting up the beds that surround it and filling the learning shed with new resources. This is a fabulous addition to our school provision and will provide many opportunities for learning outside.

Have a wonderful weekend.
