Dear Parents/Carers

National Apple Day – Tuesday 3rd October

Dear Parents

On Tuesday 3rd October, Busy Bees have been given the opportunity to take part in an 'Apple Day' at the Great Yorkshire Showground to celebrate National Apple Day. This has been organised by the Yorkshire Agricultural Society.

The children will take part in a workshop for the morning where they will visit the Yorkshire Heritage Trees at the Showground, take part in a juicing workshop and prepare a baked apple to take home and bake for their pudding that night. This links in well with our 'We are Scientists' project as we will be learning about Healthy Eating over the next few weeks.

The event is free but we are asking for a voluntary contribution of £5.60 to cover the cost of the coach which is available to pay via ParentPay.

Arrangements For The Day

The coach will leave North Rigton school at 09:00, so please ensure you arrive by promptly at normal drop off time, and we will return in time for lunch.

Clothing

Children should come to school dressed in their normal school uniform with comfortable walking shoes, and we advise bringing a warm waterproof coat on the day.
