

Busy Bees (Years 3 and 4) Class

Spring Learning Opportunities

We are Artists - Exploring Fast Fashion in the Modern Fashion Industry

Provocation - 'There is no beauty in the finest cloth if it makes hunger and unhappiness' Mahatma Gandhi

Here are a variety of different activities which you may wish to do with your child out of school to support and extend their learning in school. This page is designed to help families to *Enjoy Learning Together at Home*. However, if your child would like to share any of these tasks with me, I'd be delighted to see their work.

<p>Spelling:</p> <p>You could help your child at home by using the RWI Red (Years 1 and 2) and Orange (Years 3 and 4) word lists and the spelling pattern overview. Enjoy learning them in a variety of interesting ways.</p> <p>Oxford owl has an Extra Practice Zone to help your child learn the spelling patterns from Read Write Inc that we are learning in class. (u/n: nrigtonbusybees / p/w: bees) https://www.oxfordowl.co.uk/login</p> <p>Spelling frame website is an easy way to learn your spellings at home https://spellingframe.co.uk/</p>	<p>Times tables</p> <p>You could help your child at home by allowing them to play on TTRockstars. This will help them with their fluency of times tables.</p> <p>https://play.ttrockstars.com/auth/school/student</p> <p>Your child knows their username and password - any problems just let me know.</p>	<p>Reading:</p> <p>Encourage your child to read regularly at home. Support them with their reading by asking questions about what they have read. Remember we have Book Swap Box in the classroom if they want to swap any books from home. There is also information on the website about the 'Reading for Pleasure Underground Tube maps' to encourage your child to read a range of genre. You can also access a range of reading books on Oxford Owl website - see Spelling.</p> <p>If you complete your reading chart, collect a reward from Miss Ellis. If you enjoy your book, please ask to share it with your class.</p>	<p>Reading/Writing:</p> <p>This half term we are reading Nonsense poems by Edward Lear in class. You could help your child research their favourite Limerick and share it with the class. They could have a go at writing their own limerick.</p>	<p>Maths:</p> <p>This term we will be focussing on Multiplication and Division and Fractions and Decimals. Use the White Rose Parent workbooks to support their learning further: https://whiterosemaths.com/parents-resources</p>
<p>Project:</p> <p>This half term we are looking at how Fashion has changed over the years. You could help your child find out more about famous artists and designers and share what they have found out with the class.</p> <p>Alternatively, they could investigate how music has changed over the years by investigating famous musicians or composers.</p>	<p>Science:</p> <p>In Science this term, we are learning about forces and magnetism. You could support your child to find out about how magnets are used around your home.</p>	<p>ICT:</p> <p>You could help your child to develop their touch-typing skills by accessing their account on https://northrigton.typingclub.com/</p> <p>Remember the more your child practises the more efficient they become.</p> <p>You can also access Dance Mat Typing Dance Mat Typing for 7 - 11 year olds - BBC Bitesize</p> <p>Your child's username is their name and there isn't a password.</p>	<p>Project:</p> <p>You could help your child to use one of the Fashion 4 R's at home i.e. Reuse, Recycle, Reduce or Repair to help the sustainability of fashion.</p>	<p>Project:</p> <p>You could help your child to become a fashion designer and to design their own range of 'Fairtrade' outfits, either on paper or they could make them out of newspaper or material! Have your own Fashion Show!</p>
