

BULLETIN

Friday 7th June 2024

Welcome back! We hope you all had a restful and enjoyable half term break with your families and managed to make the most of some of the sunnier days we had.

Before we broke up for half term, Tigers participated in a summer term Activity Week. They had a week jam-packed full of exciting adventures such as:

- Outward bound (high ropes, low ropes and raft building)
- A city day to York (Hole in the Wand crazy golf, city treasure hunt and exploring the National Railway Museum)
- Fellowship trip to Beamish Museum
- Skiing and sledging at Xscape
- Wellbeing day at school

Well done to all our Tigers children who threw themselves into every challenge and represented school brilliantly. We were even featured on Your Harrogate Online – do have a look to see what we got up to!

I'd like to take this opportunity to also thank our parent volunteers and governors for their time taken to join us for these activities. Without our volunteers, we simply wouldn't be able to run our trips. We have lots of summer trips booked in over the next half term for each of our classes. If you are able to support with any of these, please contact Mrs Hamill or Mrs Dibb in the office to register your interest. We are needing lots of helpers for our Kith visits and without the correct amount of adults, sadly these trips will not be able to go ahead.

Have a wonderful weekend.

Mrs Gardiner

Charity Updates:

MND Bracelet Stall: As discussed before half term, our fundraising efforts until the end of the year will be to raise money for the MND centre in Leeds. Following the sad news that Rob Burrow passed away earlier this week, we are keen to embrace the children's fundraising efforts. A group of girls from Busy Bees have come up with a brilliant idea!

They will be holding a bracelet stand after school on the playground on **Monday 10th June**, selling items up to £2. The girls have spent their own time out of school designing and making these pieces and I am very impressed with their entrepreneurial spirit! Please do support them if you can (cash only on the day, please).

Well done to Maple this week!

FONR Mount Everest Event:

8th -14th June - North Rigton are climbing Mount Everest!

To raise money for school, get fit and have fun all children and families are asked to help North Rigton climb Mount Everest.

Mount Everest

If each child/ family does 30 minutes of exercise every day for 7 days, we will have collectively (and approximately) climbed the mountain – how cool!!

Tenthredinum

7th June - the children will take home an optional sponsorship form to start the 7-day challenge and a sheet to record their exercise activity.

14th June 9-10am – Harrogate town will lead a fun exercise session for all the children to finish off the climb and celebrate making it to the top! Children can attend school in PE kit this day.

Please can children kindly bring back any sponsorship forms and money collected 14th June. Either cash or transfer to the FONR bank account welcome.

FONR bank details: FONR, 53 50 21, 58447067

Parent/carers/grandparents are welcome 14th June and encouraged to join in the exercise session (optional!).

Summer Fun Lunch:

On **Friday 21st June** we will be celebrating the end of the school year with a North Rigton Summer Fun Lunch! Children are welcome to wear fancy dress on this date (no additional accessories, please) and we are asking for a voluntary donation of £1 for this to go to our MND fundraising efforts.

In addition, our Y6 Charity Advocates will be organising games and face painting on this date and we will be doing a bun sale. Please send your child into school with some change on the day if they would like to purchase a bun and make a further donation to our MND charity.

We will be working together to create a shared lunch on this date to say bon voyage to Emma and Donna as they both leave Aspens at the end of the month. Both have been an integral part of our school family for many, many years and we wish them both well in their new adventures where we know they will continue to flourish. We would like to say thank you to them both for all they have done over the years.

As such we are asking that the following classes bring the following foods to share on this date ...

Apples: Starters (vegetable sticks, breadsticks, cheese and crackers)

Pears: Mains (sandwiches/wraps of either cheese, jam or ham, pasta salads)

Busy Bees: Puddings (individual biscuit packets, fruit, small items of chocolate such as chocolate coins or smaller chocolate bars)

Tigers: Snacks (individual bags of crisps, cold pizza slices, sausage rolls, cheese and onion rolls, cocktails sausages)

If your child has special dietary requirements and needs to bring their own full lunch on this date, this is no problem. Please let the office know. We ask that no foods brought in contain nuts.

Thank you for your support in making this a brilliant day for our children.

Reader of the Week and Golden Writer Awards

An amazing achievement today in that we've had a first ever moment! Well done to Lulu (Y4) who was nominated for BOTH awards this week!

She has enjoyed a trip to the North Rigton Shop to choose her prizes with Mrs Gardiner.

Well done!

St John's Church, North Rigton

CARING FOR OUR ENVIRONMENT

8th – 14th June 2024

For many years St John's has had a "wild flower" meadow, but it has been neglected.

We want to bring it back to life to enable the community to visit and enjoy the area.

The churchyard is part of the heritage of the Community and is open at all times.

Our project will begin by identifying the flowers we already have in the churchyard, to then develop a community project to create a colourful experience for visitors throughout the summer months.

We will also eventually discover what wildlife we have in the churchyard.

This is a Community project, we want YOU to get involved, even if you do not attend the church.

.....

- Open afternoon Sunday 9th June – 2.30pm – 4.00pm when help will be available to enable individuals or families to identify what they see.
- Open week Monday 10th – 14th June, 3.30 – 4.30 pm when individuals or families can visit and record what they find and once more we have help at hand to assist.

Why not join us or seek more information?
