

BULLETIN

Friday 21st June 2024

It has been a busy week in school and we have been so lucky to be able to enjoy the summer sunshine with plenty of time on the field.

Busy Bees were out and about this week for a trip to Ripon Cathedral, Sacred Space. They represented North Rigton brilliantly and enjoyed their day out with Jupiter Class from All Saints—a perfect way to showcase how fantastic it is to have ties with All Saints.

Harrogate Theatre have also been in school this week beginning their workshops with Tigers Class. They are working together on the end of year production and we had lots of very excited children when these sessions started this week!

Today the children enjoyed their Summer Fun Lunch on the field. Y6 had a special end of year table set up and were treated like royalty! It was also a brilliant way to thank Emma and Donna for all their hard work over the years as we wish them well on their new adventures. We will all miss them greatly.

A reminder that as the heat is set to rise into early next week, please ensure to send your child to school with a large water bottle, sunhat and ensure they have plenty of suncream applied before school. We will remind the children about sun safety including sitting in the shade, topping up water frequently and applying suncream.

Have a wonderful weekend.

Mrs Gardiner

Charity Updates

More of our pupils are taking an entrepreneurial lead with our MND fundraising efforts which is fantastic to see.

As such, some of our Year 5 children and one of our Y6 pupils will be running two stalls on **Wednesday 3rd July** (3.30—4.00). They will be selling handmade greetings cards and pick and mix. Please bring any spare change on this date so that you can buy some of these items after school if you wish to.

YELLOW RIBBONS

Apples:

Harper - Perseverance
 Tenzin - Perseverance

Pears:

Arthur- Positivity
 Ronnie - Respect

Busy Bees:

Teddy - Independence & Positivity
 Henry N - Positivity & Respect

Tigers:

Isabelle - Independence & Positivity
 Leya - Independence & Perseverance

HOUSE POINTS

Willow - 76

Hawthorn - 68

Rowan - 74

Maple - 139

Well done to Maple this week!

Sacred Space Art Day

Busy Bees have had a lovely day at Ripon Cathedral this week. They enjoyed exploring and learning about the Cathedral. They explored different types of crosses and then created their own design of a cross for a joint piece of art work. They then made their own animals to go on a tree display linked to the story of the Mustard Seed. A wonderful day! Thank you to Mrs Baker, Rev. Stroma and Mrs Holder for helping on the trip.

FONR Updates

A huge thank you and well done to all the children who participated in the Mount Everest Event last week. It was a huge success and over £500 has been raised for FONR!

Some of the activities completed were:

Shared dog walks	Family walks	Trampolining
Cheerleading	Dance	Kitchen disco/laps around it
Football	Netball	Bike riding
Playing in the garden	PE	Walking to and from school
Bouncy castle time	Athletics	Tennis
Skipping	Cricket	Balloon volleyball
Metal tig	Gymnastics	Climbing
Running	Ball hunt	Object pick up

A huge thank you also to the parents who provided flapjack as a post exercise treat for all of the children which was extremely kind and greatly appreciated.

Well done to all involved!

Sports Day Arrangements

This year we are very excited that our Y6 Sports Advocates, supported by Harrogate Town, will be leading our Sports Day.

Parents and grandparents are welcome to join us on the school field from 1.45pm to watch the children participate in a range of wonderful sporting activities. It's set to be a fantastic afternoon! Please do bring your own rugs/deckchairs.

Children will then return to school to be dismissed from their classrooms as usual at 3.30pm.

If the weather conditions are poor, we have a reserve date in the diary and will be in touch to advise all parents as soon as possible.

Reader of the Week and Golden Writer Awards

Congratulations to Casey who has been awarded our Golden Writer award for fantastic comprehension skills to read and answer questions.

A huge well done to Harry G who was chosen as Reader of the Week this week for outstanding expression and character portrayal.

Both children will enjoy a visit to Mrs Gardiner's stationery shop to choose their prizes.

**Reader
of the
Week**

'You Can Do It' Project

This term, Tigers Class have taken part in an exciting Scientific challenge called 'You can do it' which was provided by an Italian Secondary School. The students at this school put together Electronic Science kits and then presented them to our children for them to use to make their own electronic toy. The children had to plan, make and record their scientific journey as they made their toy. Mr Trudgill then chose two of the groups to present their work through a video which was ultimately shared with the Secondary school. Well done to Maddie, Isabelle and Grace for creating a motorised boat and Minnie, Alba, Thomas and Cara for creating a Merry Go round. Great Science work, Tigers!
