BULLETIN - 6th September 2024

Dear parents/carers

It was a great pleasure to welcome everyone back into school on Tuesday. All the staff would like to thank you for the lovely cards and gifts at the end of last term.

The sun has made one or two appearances this week thankfully and it truly feels a positive and exciting start to the new school year. The behaviour and attitude to learning in all classes has been fantastic. All our 16 new reception children have settled in well and have been full of smiles and chat all week. Both Mars and Saturn Class have especially enjoyed playing in our wonderful new outdoor area. We have lots of fantastic opportunities planned for our pupils this term both in and outside of school—more details to follow.

Have a wonderful weekend.

Pupils attending tutoring groups during school hours

Due to regulations from the government regarding safeguarding of pupils, we will not be able to authorise any pupils attending tutoring sessions during school hours, which includes pupils leaving school early at the end of day or coming into school late. It is important that all our pupils are receiving the full allocation of teaching time provided in school.
