## BULLETIN - 15th November 2024

What a colourful day we have had today with! The children showed great determination on their one mile sponsored run for Children and Need in their spots and yellow this afternoon. Thank you to Mr Anderson for organising this and thank you to all of you for helping us to raise an amazing **£1928** for Children in Need!

It was a delight to accompany Saturn and Jupiter classes on their trip to Magna this week. We all had great fun learning about earth, air, fire and water. I enjoyed attending a workshop with Saturn Class exploring how light travels using laser pointers, mountains and boats and watching a shadow puppet theatre. The children were beautifully behaved and we even had a few sleepy-heads on the coach on the way home! Thank you to Mr and Mrs Anderson for organising this trip and to the parents who accompanied us.

We continue to show many prospective new parents around school and it is always encouraging to bring them into our calm, purposeful classrooms, where children are engaged in their learning and able to speak eloquently to visitors about their Maths and English and Topic work.

Have a lovely weekend

Mrs Andrews and Mrs Honey

**ALL SAINTS CHURCH**  
Wednesday 11th December 3:45pm

We are very excited to announce this year's All Saints Christmas Extravaganza on **Wednesday 11th December**.

After our very successful Polar Express and Elf events, we have decided that this year's theme will be The Grinch.

**Tickets** will be available from Monday on Parent Pay at a cost of £10 per child to include a party tea and present. There is no charge for adults attending.

**Donations** are needed for your class raffle hamper. There will be boxes in the parent shelter for you to leave your donation in.

We would also like donations of children's gifts for the tombola.

If you can help in any way before, during or after the event, please sign up on the whiteboard, which will be on the driveway from next week.

It is going to be a really fun event especially as we are going to have our very own Grinch leading the moves on the dance floor!!

There will be another meeting for those interested in helping with this event on **Thursday 21st November at 3pm**. All Welcome! Mrs Honey

## Sports Report

### Year 3/4 Football

This week, the team were back in action for the final time this calendar year. They showed a real improvement in their grasp of tactical play - many children understood the importance of defending which led to three very close games. It was brilliant to see the team showing all their school values on the pitch as well as their footballing skills. We did have a goal this week, a super strike from Archie finding the bottom corner!

### Dodgeball Club — **players needed!**

Dodgeball club for Year 1 and 2 started this week. The three children that came showed fantastic passion for the game and were amazing to have for the extra hour after school. Unfortunately, dodgeball club can not survive with only three members. If, by next Tuesday, there are less than eight children, the club will have to stop. To sign up, please visit parent pay.
