KIRKBY OVERBLOW

BULLETIN - 17th January 2025

Dear Parents and Carers

We have enjoyed welcoming all children into school this week after our unusual start to this term. Thank you for sharing any home learning that was completed and, once again, for your patience as we navigated keeping everyone safe. The snow and ice has now just about completely disappeared and we are back to our normal routines and enjoying opportunities to be outside when we can.

The staff would like to express their thanks for all the kind messages, cards and gifts that we received at Christmas.

Can I bring your attention to this excellent article about proportionate use of screens for Early Years children: [Screens in the Earliest Years](#)

Jupiter Class made their first visit to The Hydro today for the start of their term of swimming lessons.

We have lots of exciting events and opportunities coming up at both schools in the Fellowship this term so please make sure you are reading the Bulletin, checking the website and responding to any messages that are sent home in the next few weeks.

Have a lovely weekend,

Mrs Andrews and Mrs Honey

Unlocking Autism Training for Parents

FREE 2 day course for parents and carers of children and young people with communication and interaction needs, from North Yorkshire Council.

This annual event is an opportunity to find out more about autism and gain practical tools and strategies to help support your child or young person.

Parents will also meet others facing similar experiences or with a shared interest in the topic.

Children do not need to have a diagnosis of autism in order for parents to attend. Parents need to be able to attend both days and will receive a copy of the content covered following the course.

Our Values Certificates were awarded to:

Mars Class: Hugo for perseverance and Izzy for positivity

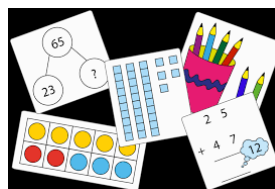

Saturn Class: Allegra for respect

Jupiter Class: Archie VB for kindness

Sun Class: Thomas for positivity

Headteacher award: Allegra for respect

MATHS WORKSHOPS

RECEPTION/KS1 Monday 3rd February

KS2 Wednesday 12th February

Please come along to one of/both these workshops to learn more about the teaching of maths and to receive practical advice about supporting your child with maths at home. Please email the school office to book a place.

The key stage 1 session will be run by Miss Brown and Mrs Anderson

The key stage 2 session will be run by Mr Anderson
