CHURCH OF ENGLAND SCHOOL

KIRKBY OVERBLOW

BULLETIN - 2nd May 2025

Dear Parents and Carers

What a beautiful week it has been! There have been so many opportunities to utilise our beautiful grounds in this lovely weather and I've seen many classes making the most of it; we feel so very fortunate to have access to this wonderful outdoor resource.

We enjoyed welcoming some pre-school friends and their families into school on Tuesday, as Miss Brown hosted another Play and Stay Session. It was good to get to know some of our younger brothers and sisters a little better and to meet some of the families who will be joining us in September.

Have a lovely bank holiday weekend,

Mrs Andrews and Mrs Honey

Paul Dix

Over the coming weeks, we would like to share some information about the work of Paul Dix and his brand: When the Adults Change. Paul is a behaviour specialist, author, education reformer and advisor and has helped teachers and headteachers across the world with transformational relational behaviour practices. For many years now we have used his approach to behaviour and restorative practice, in both our Fellowship Schools. We are hoping to become partner schools with his organisation. If you would like further information on this please visit his web-site [HOME | Paul Dix](#) and watch out for further information in our Friday bulletins.
