

ALL SAINTS
CHURCH OF ENGLAND SCHOOL
KIRKBY OVERBLOW

BULLETIN - 9th May 2025

Dear Parents and Carers

As a result of the hugely successful visit to the Astrophysics Department at York University, for a Robotics Workshop on Wednesday, we now have many budding Key Stage 2 scientists in our school building! It has been wonderful to see the enthusiasm and awe displayed by the children on their return. By all accounts, it was a very enjoyable visit, with the children experiencing university buildings and departments, meeting students and professors and learning about the world of academia. Many have come back truly inspired and envisioning their own university futures. Thank you to all who organised and supported this worthwhile visit.

Next week our Year 6 children will complete their SATs. They have worked very hard in the run up to these tests so we wish them well as they embark upon them. They will be supported by all our staff members and their Year 5 friends and enjoy a yummy school breakfast together!

Have a lovely weekend,

Mrs Andrews and Mrs Honey

TIGERS 3958

LEOPARDS 4321

Help Jes reach her target!

Arthur's mum Jes is currently swimming the length of the English Channel in a swimming pool to raise funds for the Friends of Alfie Martin, a charity close to her heart, as Alfie is her cousin.

Jes explains: 'Alfie sadly died due to medical neglect during his birth but my aunt and uncle had a painfully long wait for a specialist ambulance to transport new born babies to the LGI. Fast forward 23 years and The Friends of Alfie Martin is the largest fund raiser for the neonatal ward at the LGI, providing specialist equipment for new born babies requiring life saving medical treatment. Alfie's family are still based in Sicklinghall and his sister Betsy attended All Saints. This is a real challenge for me as I have a bit of a phobia of swimming in public pools!'

Click on the link to support Jes and this amazing charity [Jessica Talpade is fundraising for Friends of Alfie Martin](#)

Our Values Certificates were awarded to:

Mars Class: William for positivity

Saturn Class: Rupert for perseverance

Jupiter Class: Hector and Alana for positivity

Sun Class: Barnaby and Alex for positivity
