CHURCH OF ENGLAND SCHOOL  
KIRKBY OVERBLOW

## BULLETIN - 6th June 2025

Dear Parents and Carers

It has been lovely to see everyone back in school after the half term break, the children have been filling us in on all the wonderful things they got up to. As ever, at this time of year our school calendar is getting very busy. Please make sure you are checking the website and the dates at the end of this Bulletin regularly.

Our Reception and Year One children had a very enjoyable visit to Born of the Forest on Wednesday. They had lots of opportunities to spend time in nature, have fun together, share marshmallows round a campfire and get a bit muddy! Thank you to those adults who organised and supported on this trip, everyone always agrees it is such a worthwhile activity for our youngest children.

**Paul Dix quote of the week:** 'Using positive recognition, or being bothered, means that you know how to make each child feel appreciated.' [www.pauldix.org](http://www.pauldix.org)

Have a lovely weekend

### Ambition in The Trust

As part of the Yorkshire Causeway Schools Trust's new vision, Mr Anderson has been sharing how he shows ambition in his teaching. It was an opportunity for him to reflect on his career to date.

Mr Anderson joined The Fellowship in January 2019, on his final-year teaching placement.

Since then, he has had various roles at All Saints and North Ripton, but has now established himself as a teacher in our Year 3 and 4 (Jupiter) Class. You may already be aware; Mr Anderson is a large advocate of PE. This year, he took on the role of PE Leadership across the Yorkshire Causeway School Trust.

### **Think Pharmacy First**

Most pharmacies in England are now providing the Pharmacy First service.

his free NHS service allows you or your child to get quick access to healthcare advice for the following seven conditions:

- Earache (aged 1 to 17 years)
- Impetigo (aged 1 year and over)
- Infected insect bites (aged 1 year and over)
- Shingles (aged 18 years and over)
- Sinusitis (aged 12 years and over)
- Sore throats (aged 5 years and over)
- Urinary tract infections (UTIs) in women (aged 16 to 64 years)

If you or your child has symptoms that suggest you may have one of these conditions, you can walk into a pharmacy and be offered a consultation with a pharmacist in a private consultation room. The pharmacist will provide advice and, if clinically necessary, a prescription medicine to treat the condition (the normal NHS prescription charge rules apply to people aged 16 and over).
