## BULLETIN

### Friday 12th September 2025

Dear Parents and Carers,

As the weather has been inclement and we haven't been able to get on the field as often as we would have liked, our new playtime equipment has been put to good use already. The children are enjoying climbing and balancing and demonstrating all our values as they take turns and support and encourage each other. The bench around the corner has become a popular spot for chatting and relaxing and the outdoor classroom is being used for imaginative games and make believe. The equipment itself has created new spaces and places for children to move around and between.

Our brand-new Reception children have settled very well into school already. They have made new friendships, understand their classroom routines and are already attending Collective Worship as they are able to move around school so well and sit so beautifully. We are very proud of them. I would also like to congratulate our Year 6 children. We spoke a lot about behaviour and our school values in the first week back and our oldest children have been super role models for the whole school.

Just a quick reminder that children should be wearing correct school uniform at all times, including PE uniform for PE days. If you are unsure, please consult the website. If you need any support with our uniform arrangements, please do not hesitate to see your class teacher.

Have a lovely weekend,

Mrs Andrews and Mrs Gardiner

### Coffee and Connect Mornings

Following the success of our Coffee and Connect mornings with staff last year, we have developed our offering further for the academic year 2025 –2026.

This year, specialists will be invited to school to share information sessions with our school community. Our hope is to touch on key aspects of safeguarding, SEND, wellbeing and health over the course of the year.

We are delighted to welcome Keri Standen, our Trust Safeguarding Lead, to our first Coffee and Connect morning (19.11.25 at 9.15am) who will be delivering a session on how to keep our children safe online. This session is appropriate for all parents/ carers to attend. Keri has a working partnership with CEOP, and so brings a wealth of expertise to the table.

Please contact the school office (FAO Mrs Gardiner) if you are able to join us. We hope to see you there.
