BULLETIN - 17th October 2025

Dear Parents and carers

What a wonderful evening we all had! The Harvest Supper was a huge success. Thank you so much to the very hard working organising committee, all those who contributed to the smooth running of the evening and those who donated raffle prizes. The children thoroughly enjoyed themselves with the yummy hotdogs, funny magician and exciting tombola. I think the adults did too, with good food and good drink, good company and incredibly good raffle prizes!

As winter approaches, like many other educational settings, we are experiencing more illness-related absences. It can sometimes be difficult to judge when a child is too unwell to attend school so the NHS have released this [guidance](#). Have a lovely weekend.

Our thoughts continue to be with Mrs Pilgrim who has taken some time away from school to support her extended family.

Just a reminder that next Friday is a Training Day so school will be closed to children on 24th October.

Have a lovely weekend

Mobile Device Reminder

Just a reminder that children are not permitted to bring mobile devices into school. This includes mobile phones and smart watches. If a child needs access to a mobile device before or after school, they may leave the device switched off and in the school office, during the course of the school day. Thank you for support in ensuring the safety of all children and adults on our site.
