BULLETIN - 27th February 2026

Dear parents and carers

We hope you all had a lovely half term break. We have enjoyed welcoming the children back to school this week.

We were delighted to welcome Mr Smit, our School Advisor, into both Fellowship schools yesterday. It is always a pleasure to welcome him in and update him on all the activities going on in school. He enjoyed joining our English and handwriting lessons.

We are looking forward to celebrating World Book Day next Thursday. The children will take part in some exciting book themed activities including storytelling sessions. Each class will have an opportunity to choose a book in our Book Swap event.

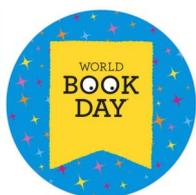

In celebration of our love of books and reading, our corridor is currently being transformed into a reading and curiosity corridor. The children have been very excited this week to see the new books and artefacts appearing. We are waiting for some new comfortable chairs to be delivered to complete what I am sure will be a very popular area of school.

Have a lovely weekend
