BULLETIN - 6th March 2026

Dear parents and carers

It has been wonderful to see signs of spring this week and feel the sunshine on our faces as we play outside. We've not been able to venture onto the field yet but hopefully we will soon! On the bankings and the grassy areas around the driveway, there are some pretty spring flowers poking their heads through the grass. Please refrain from standing on these areas at the moment and encourage the children to avoid them.

We all thoroughly enjoyed World Book Day yesterday. We saw some wonderfully creative books in a matchbox from Year 5/6 and the children enjoyed swapping their books.

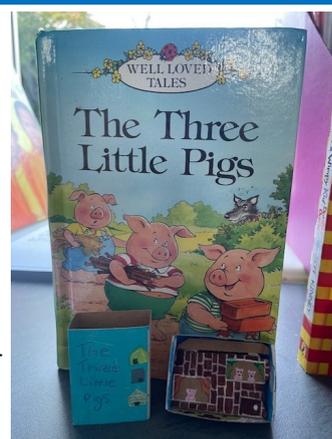

Mrs Gardiner and Mrs Honey were delighted to meet so many of you for coffee and cakes on Tuesday. Thank you for making Mrs Gardiner feel very welcome. She is very much looking forward to getting to know you all better when she takes up her new role after Easter.

Well done to our KS2 children for super singing at the church coffee morning on Wednesday. Everyone was delighted to hear the songs and witness the children's enjoyment.

Thank you to all who continue to park carefully at pick up and drop off times, your consideration of our children's safety is appreciated.

Have a lovely weekend

Mrs Andrews and Mrs Honey

A Message from Mrs Gardiner

It was an absolute joy and a pleasure to be able to meet many parents from All Saints earlier in the week. It was a privilege welcoming children onto the playground at the start of the day and meeting many relatives at our Coffee and Connect session. I would like to thank you all for making me feel welcomed into the school family.

Mrs Honey and I are excited for the next chapter ahead. We have big shoes to fill, but feel truly blessed to be in the position of being able to continue all of the wonderful things that have already begun and can't wait to see our children and staff grow, blossom and flourish together over the many years to come.

PSHE and RSHE Education: Parent Consultation

A letter has been sent out to all parents this week from Miss Brown, our Fellowship PSHE lead. It contains a link to a parental consultation form regarding proposed changes to our PSHE and RSHE curriculum. We would be grateful for any feedback.
