A message from your Headteachers

Dear Parents and Carers,

It was wonderful to be able to join with our wider community for the Macmillan Coffee Morning in Church on Wednesday. Children in Jupiter and Sun class sang beautifully and it was brilliant to be part of such a special occasion. A huge thank you to all who contributed to the fundraiser, both baking cakes and buying them. Over £1700 was raised - an incredible achievement.

Thank you to everyone who joined us for our Harvest Festival in Church this afternoon; what a joyous occasion it was. Children across the classes shared harvest songs, poetry, artwork and prayers. All food items collected will be donated to St Peter's Church Food Bank where we know they will be gratefully received - thank you for your generosity.

Our Collective Worship theme this week has been about digging deeper into our school values. We started with the value of friendship, including how we see this lived out each day. The children thought about how this linked into other key words we have discussed in worship over the last few weeks, in particular *fellowship*. We certainly saw friendship and fellowship in action when our KS2 footballers competed against North Rigton earlier in the week - please do read the match reports below. Well done to all who participated.

With best wishes,

Mrs Gardiner and Mrs Honey

Parent/Grandparent Afternoon

We are really looking forward to welcoming parents/grandparents into school on Monday 19th October at 2.30pm. We ask that relatives please arrive through the hall door where you will be able to buy tea/coffees. Our wonderful Year 6 pupils will help to show each of our relatives to the classrooms involving your children/grandchildren.

Half way through the session, a bell will be rung. This will allow relatives to move rooms to see siblings in other classes.

Where possible, we ask for only one parent/grandparent per pupil to ensure we have enough room to accommodate all our visitors safely.

We cannot wait to welcome you!

Sporting Success

A huge thank you to everyone who joined us for the Y3/4 and Y5/6 football competitions this week. It was an absolutely brilliant evening and all Fellowship staff were proud to see so many of our values demonstrated. In fact, 6 values certificates were awarded to pupils in each of our schools!

Thank you to Genevieve who wrote these match reports live from the side lines:

"Starting the Y3/4 match with great intention, this report starts 2-0 to ASKO! Tackling and great passes between both teams. Tension occurred to the spectators. Will North Rigton score? Great kick from North Rigton to ASKO shown, but the attack is strong from ASKO. Well done to everyone who played - final score, 5-1 to All Saints.

We start this report in the second half of the Y5/6 match (ASKO vs North Rigton). Archie starts the second half brilliantly. Number 20 puts in an early additional goal for North Rigton. ASKO jump high, but another ball shoots towards the net and it goes straight in the top corner. Lots of good passes and kicks and accurate ball skills shown. Another goal scored by no. 21 and ... the whistle has gone ... end of match score 3-0 to North Rigton!"

Attendance

We would like to thank all our families for the continued support you provide in helping your children attend school regularly. Good attendance is important for children's learning, wellbeing and sense of belonging within our school community.

As part of our Trust guidelines, we are required to report to parents when weekly school attendance falls below 95% and when whole-school attendance for the academic year falls below 90%. While attendance remains a key priority, we also recognise that illness can be unpredictable and, at times, unavoidable, especially in the colder months. Please be assured that we understand and appreciate the challenges families face when children are unwell.

Thank you for working in partnership with us to support the best possible attendance whenever circumstances allow.

Parking

We have received further complaints from local residents regarding parking on the main road, including blocking access to our neighbouring properties. We appreciate that parking is

a real challenge in the area, but please ensure that you are being considerate at drop off and pick up times and also when we have events taking place after school, such as sporting fixtures. Thank you for your cooperation.
